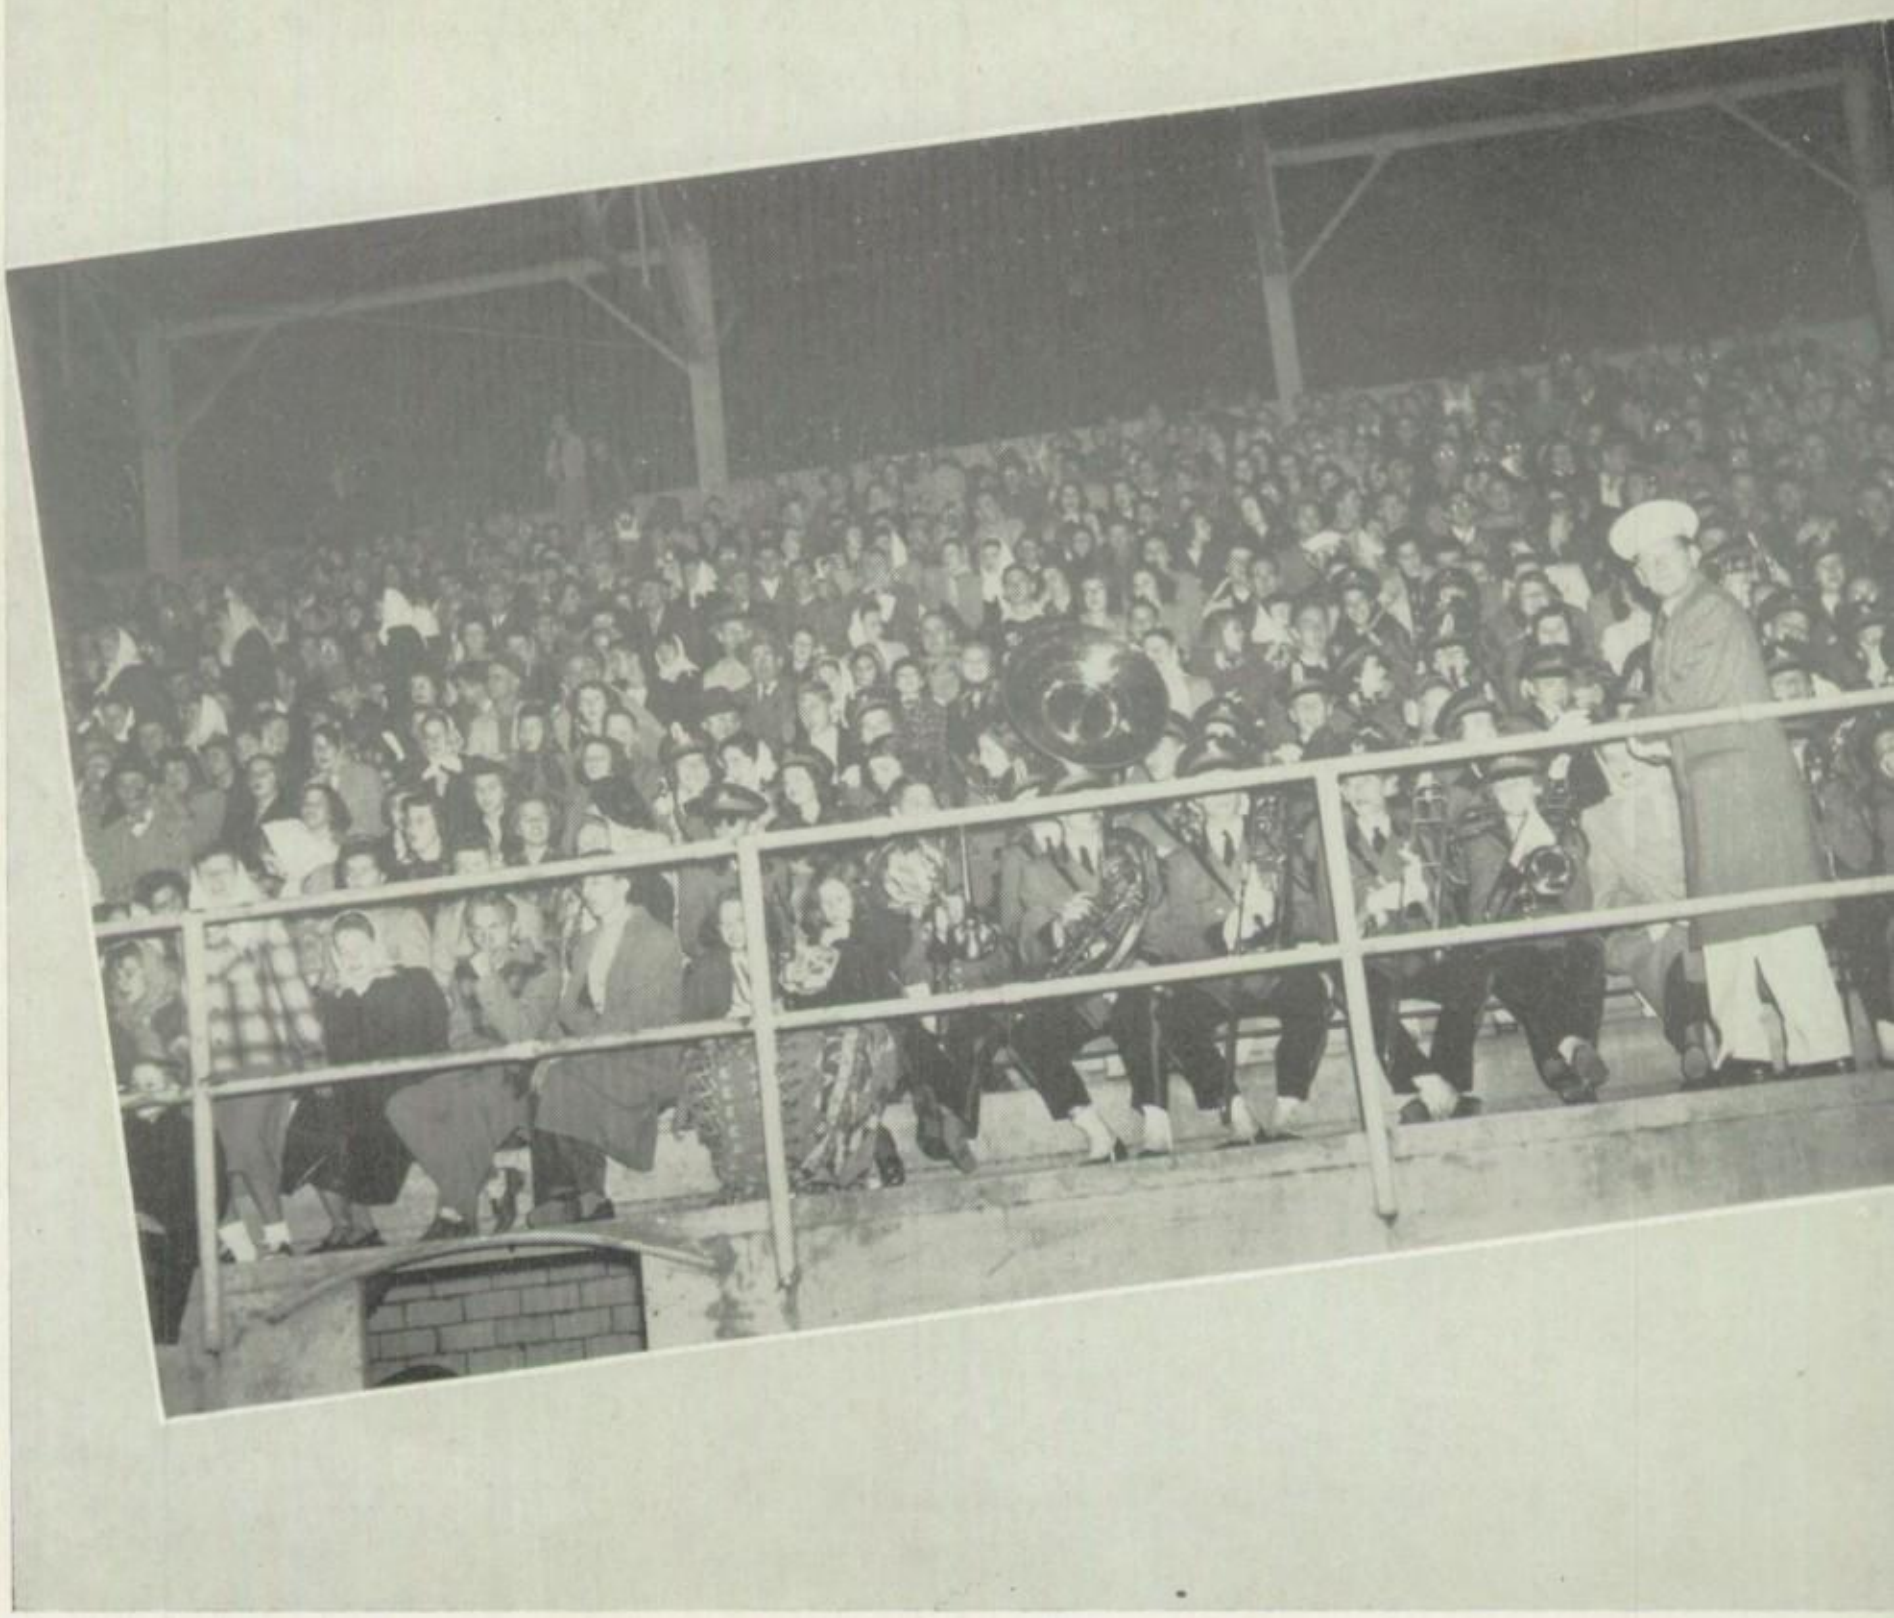
North Canton High School's
Alma Mater

Our strong band can ne'er be broken.
Formed in N. C. High:
Far surpassing wealth unspoken
Sealed by friendship's tie.



Alma Mater, Alma Mater,
Deep graven on each heart,
Shall be found unwav'ring true
When we from life shall part.

DEDICATION

To Mr. Trachsel, Superintendent of Schools, who has very ably served North Canton in an administrative capacity for the past eleven years we extend our sincere gratitude.

To Miss Bahler and Miss Bayer, our class sponsors, we wish to show our appreciation for their excellent guidance and sympathetic understanding.

FACULTY

The trail we blazed,
My donkey and I,
Was planned by the drivers
From North Canton High.

SENIOR CLASS HISTORY

"The Forty-Niners"

A Comedy Drama in Four Acts

The cast of this production is made up of sixty actors, each, showing his own talent in the play of youth!

The scene of action is the halls of No Ca Hi, with much off-stage work adding to the success.

Scene 1 A. D. 1945-1946

Withstanding the rigors of being frosh, amazingly well, we experience our first elective subjects, Freshman-Sophomore-Party and a voice in the Student Council with the worldly wise approach.

Scene II A. D. 1946-1947

By now we are well settled in the routine of high school, after surviving the perils of slightly greenish freshmen. We begin to notice some outstanding leaders in extra-curricular activities.

Scene III A. D. 1947-1948

Realizing that we have but one year more till we are seniors, each junior tries his best to make the most of his third year. Our up-and-coming grid and cage stars do much to help win the Vikings distinction in sports. Musical talent flows freely, and as scholars, we rate with the best.

Scene IV A. D. 1948-1949

The "Forty-Niners" at last live up to their name. Every Senior is a bonafide representative of the activities that high school offers. As for the statistics:

Of the sixty Seniors, thirty-five started to school in North Canton Grade Schools, nine began school days at the Parochial School, the year - 1937.

Seventy-five percent of the boys have participated in some extra-curricular sport.

Fifty-five percent of the sixty have subjected themselves to Scholarship Tests at one time or another, and —

Sixty percent of the class have been members of some musical organization at least one of the four years. We have members in Debate, National Honor Society and other inter-scholastic clubs, too. As the curtain comes down on the play, we might say, for the "Forty-Niners." "We don't have much history, but be it assured, we are bound to make some."

Martha Ann Bain,
Historian.

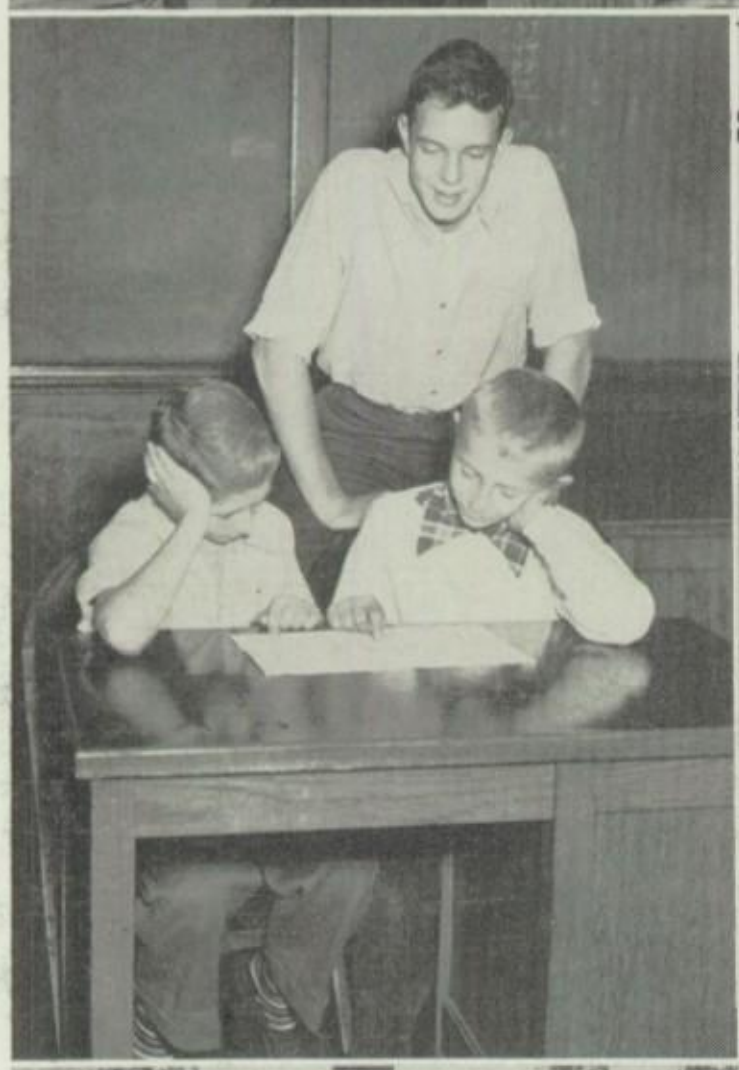
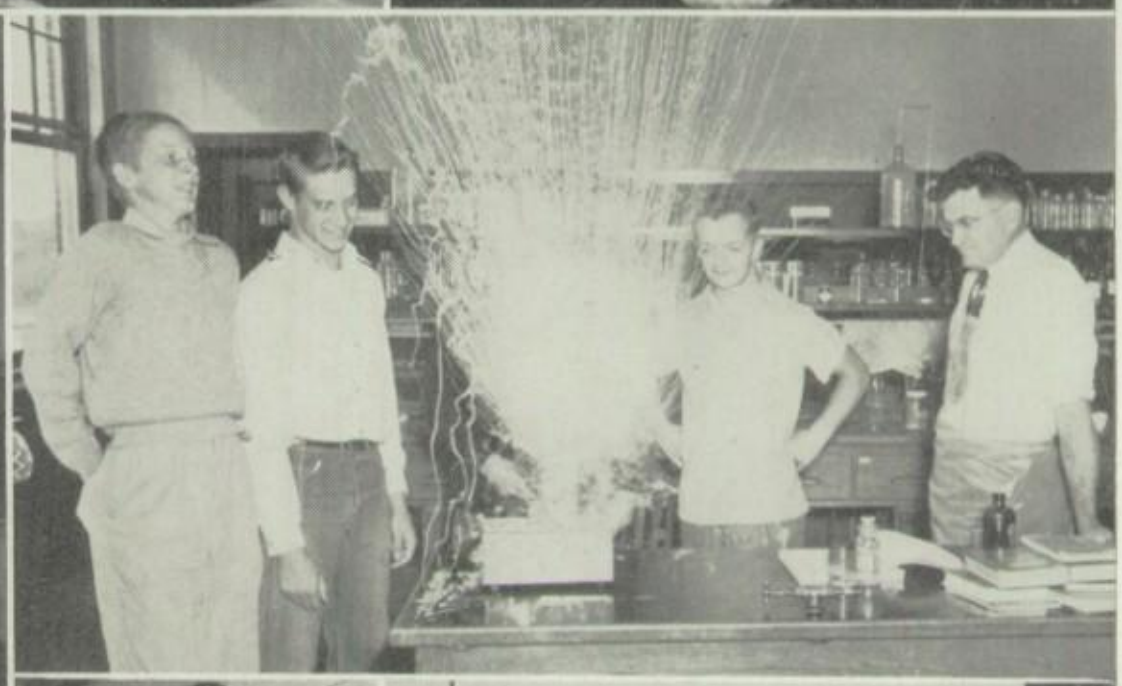
UNDERCLASSMEN

Others are still
On the upward path,
Whipped by the lashes
Of history and math.





JUNIOR CLASS HISTORY

Well, just like science, we are progressing. Some of us, that is. Through all this, we have actually become "Juniors."

Yes, already this year we are represented in football, basketball, band, orchestra, and glee club. Also, three members of the varsity debate team are "Juniors." Our class is represented in many other clubs.

Throughout this year, we looked forward to the many thrills and highlights of being "Juniors," especially the Prom, our class rings, and last but not least — becoming a "Senior" in the class of "1950."

SOPHOMORE CLASS HISTORY

Last year, being very modern minded we decided to use airplanes as our mode of transportation through education.

Boarding the good plane "Freshman" we took off on the first of the four laps of the journey to Graduation. We made frequent landings for social activities and events, such as Saturday Niters and Freshman-Sophomore Parties. Also we stopped for sporting events, debates, band, or orchestra and glee clubs, in which many of our members excelled. In spite of this we reached the end of our journey with a good record in scholarship as well as in the aforementioned activities.

After a three month layover in Vacation Lands we boarded the plane "Sophomore" with Mrs. Young and Mr. Beuck as navigators. The excellent trip of the "Freshman" was repeated with many additions in sports, scholarship and social activities.

Except for encountering a few storms called Geometry, Biology and Latin, we have flown a smooth course.

Having completed half the distance of our journey we look eagerly forward to next year when we shall board the plane 'Junior" and continue toward our goal.

FRESHMAN CLASS HISTORY

The Freshman ship of education was launched this year on the seas of High School life. A successful journey is expected because of the great promise these sailors have shown so far. Freshman ability has been shown in many fields. The lively '52ers are represented in social clubs, glee clubs and baseball teams. Also, they are proving their abilty in scholarship.

Smooth sailing, '52.

COACHES

The current social changes and vocational trends indicate that much of the new leisure, whether earned or enforced, will be spent in recreation through physical activities. Under the capable leadership of Joe J. Esmont, Athletic Director, and the coaching staff—Arthur Lave, Clyde Vanaman, and Tony Misko—a modern program of health and physical education has been developed. Mr. Lave spent many hours training the football squad and reserve basketball team. Coach Vanaman, a letterman from Mt. Union, capably guides the Vikings in basketball and assists in football coaching. Tony Misko, baseball coach, shows the junior high boys the drive and skills for school sports.

PIRATES OF PENZANZE

OPERETTA

It is explained that Frederic, when a child, was apprenticed through a mistake to the Pirates of Penzanze by his nursemaid, Ruth. As the operetta opens, Frederic has just reached his twenty-first birthday. Having completed his apprenticeship, he is determined to wipe out his friends, the pirates. He enlists the aid of Policemen and prepares to march against the pirates. In the meantime Frederic falls in love with Mabel, one of Gen. Stanley's daughters. Meanwhile, the Pirate King and Ruth visit Frederic and prove to him that he was born on February 29th and is in reality only five years old. Frederic then feels duty-bound to return to the pirate band. However, the police defeat the pirates; the pirates prove they are all noblemen gone wrong and are released. Frederic is then free to marry Mabel, and all ex-pirates pair off with the rest of the General's daughters.

Selected members from the high school orchestra assisted the glee clubs in presenting this well-known operetta.

Directors ..... Miss Bahler and Miss Bayer

On December 3 the Senior Class, under the capable direction of Miss Bahler and Miss Bayer, presented the 3-act comedy-drama "Old Doc." The play takes place in the waiting room of Old Doc Hillary's office. Old Doc thinks his son Bob is coming back to practice with him, but Bob wants to practice with a Dr. Brand in Boston. Old Doc dies believing his son is going to take up his practice. After hearing what all his father had done Bob decides to become the next Doc Hillary of Mason County.

NATIONAL FORENSIC LEAGUE

The National Forensic League was chartered at North Canton High School, January 31, 1946. The original group of charter members consisted of thirteen pupils and two faculty members. The present chapter consists of thirteen pledged members and fifteen associate members. Eight members hold degrees of honor; four degrees of excellence; and two degrees of distinction.

The purpose of this organization is to promote the interests of interscholastic debate, oratory, and public speaking by encouraging a spirit of fellowship and by confering upon deserving candidates a worthy badge o fdistinction.

During its active existence the organization has provided speakers for many school and community programs. Some of its members have an opportunity during the year to attend the Student Youth Congress and thus make proper preparation as good citizens of the community and the nation.

These clubs aim to develop character, personality, worthy ideals in each girl through the medium of social activities and service projects. Perhaps our motto is best expressed in our Home Ec. Song—

"SERVICE FOR OTHERS"
(Tune: Moonlight and Roses)
Service for others—
The No-Ca-Hi Slogan should be,
Helping each other, the beauty
in life to see.
Sharing our blessings, bring golden
dreams sparkling anew.
Service for others brings joy
deep and true.

The Journalism classes of No Ca Hi were again responsible for the VIKING VIEWS. Under the guidance of Miss Bahler, the paper staff, with the reporters, did a very commendable job in keeping the represented homes of North Canton informed with news that happened in and about school. Every family in school received a paper, which was issued monthly.

ONE OF OHIO'S LARGEST INDUSTRIAL FAMILIES

. . . *And Why*

The more than 18,000 men and women who are producing Timken bearings, fine alloy steel, and rock bits in many plants throughout Ohio make up one of the state's largest industrial families.

We're proud of this fact because it proves once more that the competitive free enterprise system is the greatest in the world.

Under any other, such as Communism, Socialism, Marxism, or Fascism the Timken enterprise could not have grown from a handful of men into a great multitude of people joined together for a single purpose: to make a profit. In fact, under any other system it is doubtful if the enterprise could have even begun.

* * *

To gain a profit, 22,000 American men and women have invested their savings in the Timken enterprise.

To gain a profit, more than 18,000 American men and women are busy giving the best that is in them to turn out the finest possible products.

Because they profit by it, thousands of customers continue to buy Timken products in ever-increasing quantities.

But strangely enough, the profit motive of late has taken on the nature of something evil, bad, anti-social.

Yet profit is the reason why America is the most prosperous and powerful nation ever known. Under the free enterprise profit and loss system we have produced more goods for more people at a low cost than any nation in the history of man.

* * *

Yes, we believe in the profit motive. We believe in a better product at the lowest cost consistent with a policy of steady employment at good pay and a fair return to investors for the use of their funds. And because we have always believed in it the Timken industrial family is one of Ohio's largest.

THE TIMKEN ROLLER BEARING COMPANY, CANTON, OHIO

"TO MAKE THE BEST BEARINGS . . . THE BEST STEEL . . . THE BEST ROCK BITS WITH THE BEST PEOPLE WORKING UNDER THE BEST CONDITIONS!" *That is our aim at Timken*
